

Cable binders E (stainless steel)

Cable binder

Cable binders made of stainless steel with ball lock for use in extreme conditions, such as high temperatures, aggressive environment, high tensile load.

Properties

Corrosion and radiation resistant, anti-magnetic, resistant to high temperatures and aggressive chemicals

Material

stainless steel 316

Note

Approvals: GL, DNV, Lloyd's, UL

Technical data

Temperature range: -80°C to +538°C
