

# Braided hose HGP

## HGP

The polyester braided sleeve for directionality and for the mechanical protection of electrical cables and lines.

## Properties

Axially compressible

## Application

Plant and machine construction Robot construction Automation technology Vehicle construction and shipbuilding Rail technology Installation technology Control cabinet construction

## Material

Polyester

- halogen-free self-extinguishing acc. to ISO 3795

## Technical data

Temperature range: -50°C to +150°C  
Temperature temporary up to: +220°C
